

The chart below gives the recommended allocations of your wedding dollars. As every couple is unique with different priorities, this tool can serve only as a guide. Discuss the elements of your wedding day that are most and least important to you and adjust the percentages accordingly. For instance: You may be getting married at a resort and have no need for a limo. This will give you 4% to divide among the elements that are most important to you.

## PoconoWeddings.com Wedding Budgeting Guide

Wedding Budget \$ \_\_\_\_\_

		<b>Recommended Amount</b>	<b>Adjusted Amount</b>	<b>Actual Amount</b>
